IV. Agenda

Michelle brought up the suggested route for the Bicycle Boulevard. She had concerns about the safety of having the route following Laurel Circle/South Laurel Circle Drive to connect to E Connally St.. Following discussion, Michelle made the motion that we suggest that the route be changed to using Laurel Circle, then left onto South Park, right onto Oakland which becomes Church Street, and then left onto E.Connally. Julie seconded the motion and it passed unanimously. Jennifer Tipton will take the recommendation to Jessica Trotman. If that change is made it will need to be run by Josh Harold and the Town Council for approval.

V. Adoption of Minutes

Approved by consensus

VI. Old Business

Adopt -A-Trail Program: Julia shared a proposed plan for developing and implementing the program. After some discussion, it was decided that there needed to be a meeting set up between the potential partners: Active Mobility Commission, Parks and Rec Department, Public Works Department, and the Black mountain Greenways and Trails Committee. Jennifer Tipton will work to set that up. Our desired time frame is after the election, but before the Holiday season gets into full swing. The sub-committee on the Commission consists of Julia Weatherford, Michelle Knight, and Kyle Cole. If other members of the commission want to attend the meeting, Jennifer can send out an official notice of the meeting to the public.
